

BRIGHT WATER TENNIS

Request for Compliance Exemption

The following actions must be completed in their entirety for an exemption to be considered. In checking the items and signing the form, the team captain confirms that all requirements have been met, and that the results still require that an exemption be granted. Roster submittal prior to final action from the Bright Water Tennis Committee will result in immediate revocation of facilities privileges.

Team/Captain requesting exemption_____

- Asked all prior season residents to remain on team**
- Conferred with Tennis Committee Clearinghouse regarding waitlisted residents**
- Emailed Bright Water e-group, offered spot to respondents**
- Posted opening on tennis bulletin board**
- Informed captain of teams above and below via email of openings to find players on existing teams interested in moving**
- Existing team residents acknowledge that any exception granted is valid for one season only and before the next season the team must either be in compliance or apply for an exemption again, and there is no guarantee that subsequent exemptions will be granted**
- Existing team residents acknowledge that additional non-residents could limit their own playing time**
- Existing team residents acknowledge that they have forwarded names of other residents interested in joining team to their captain**
